Unfinished Business -

1. Tree lighting ceremony report.
 - a. A real tree will be purchased or possibly someone in community will donate one.
2. Frystown Playground.
 - a. Quotes are being gathered to possibly install a pickle ball court with fence and nets.
 - b. Cement work to repair crumbling cinder blocks should be completed by April 15th.
 - c. At this time a GaGa pit is not feasible for the playground area because a flat surface is needed. The Board will possibly address it in future.
 - d. 2 - *No Motor Vehicles allowed in the Park* signs need to be replaced and the volley ball net. The bench signs will be replaced if needed. Dale made a motion to purchase. Mark seconded. All agree.
 - e. The mulch that the Board and community members spread last fall needs to be raked especially under the swings before the new mats are installed. The Public Works department will be notified.
3. Bethel Township Recreational Park and Trail.
 - a. BOS will determine if the pavilion will be used for a wedding reception based on parking availability and liability issues being addressed. It is their decision.
 - b. Calvin brought it to our attention that 2 Boy Scouts are in need of Eagle Scout projects and are interested in doing something at the park pending Scout Council approval. The possibilities mentioned were a GaGa pit and or putting stone on the wooded trail to make hiking easier.
