

READINGBRIDGES.NET

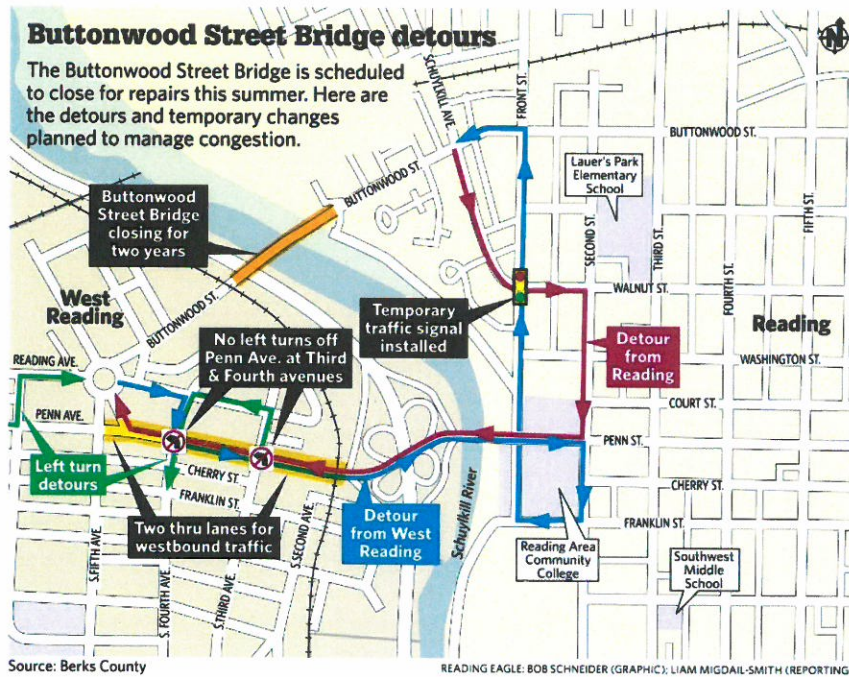

Your #1 resource to stay updated on bridge improvement projects to support Greater Reading.

The expansion and rehabilitation efforts of the Reading Bridges will upgrade and modernize Greater Reading’s bridge infrastructure. These projects will ensure safe and efficient travel on the area’s four main bridges. From the latest news and updates, to detours and traffic patterns, to commuter services, we are here to help you navigate through the upcoming construction projects.

The Greater Reading Chamber of Commerce & Industry and the Berks County Commissioners are proactively working together to ensure our entire community is kept informed concerning key bridge construction projects.
